TSP700II Series Improved and Sleeker Design

Removable Rear Tape covers the external paper slot. Peels it off to insert large paper roll when needed.

Sponge cushions absorb waterdrops and dust.

Extended Top Cover prevents dirt and liquids penetrating into the printer.

Its new Top cover, together with the inner Sponge cushions and the Removable rear tape enhanced the protection on the printer inner parts from dust and liquids which makes TSP700II ideal for usage in harsh environments, such as kitchens.
